to authorize the town to approve a $5,200,000. indebtedness to acquire land, prepare architectural and engineering plans and to construct, equip and furnish a technical Vocational High School to serve the towns of Mattapoisett, Rochester, Carver and Acushnet to be located on North Avenue in the northwest corner of Rochester on a 73-acre site.

The second article concerns a change in the police pay salary. It is proposed that the town accept a state section 108L provision of Chapter 41 of the General Laws. This provides an incentive salary increase for regular full time members of the police force as a reward for taking educational courses in police work. The article states that any town accepting the provisions will be reimbursed by the Commonwealth for half the cost of the salary increases. The increases are based on points ranging from 10 to 150 and the salary increases range from 3% for 10 points to 30% for 150 points.

Article 3 authorizes the Board of Selectmen to accept payment of $252.38 from Massachusetts in payment for a parcel of land taken on March 3, 1971 by the Commonwealth. The Parcel is #2-U filed and recorded on March 18, 1971 with the Plymouth District Registry of Deeds.

FOUR TOWN REGIONAL VOCATIONAL SCHOOL PROPOSAL

The Old Colony Technical Vocational School Committee has completed a revision of the size of the school based on the withdrawal of Lakeville and Freetown which will be presented to the towns of Mattapoisett, Rochester, Carver and Acushnet, the remaining towns. The school is now planned for 535 students and the costs of the facility to the individual towns remains very close to that presented previously for the 6-town regional school. The total cost of $5,200,000 for building and equipment plus the 4.75% interest of $2,593,500. gives a total of $7,793,500. of which the State grant of

65% of $4,935,755 leaves a net cost of $2,857,745.00. Mattapoisett's share for the first year is $68,958.72. Rochester's first year share is $28,263.43. Various grants are expected to lower the first year cost still further but cannot be determined at this time.

The school is planned to accommodate 535 students based on the quota system as was previously arranged, giving Carver 85, Mattapoisett 140, Acushnet 250 and Rochester 60. Unused seats would be offered to the other member towns based on the guaranteed ratio of Acushnet 46.72%, Mattapoisett 26.16%, Carver 15.88%, and Rochester 11.21%.

Afternoon and evening programs together with work study could increase the enrollment to 850 students. Average operating cost per student is estimated at $1600 of which half is reimbursable.

The committee has sent detailed brochures to the taxpayers of the towns outlining the details of the costs, the courses and the student quotas. The vote will be Thursday at 8 P.M. at Old Hammondtown School in Mattapoisett.

CHERYL BROOKS, Old Rochester homecoming Queen, is shown in a happy moment during the half after being crowned on the field by Carol Bertram, last year's queen. Cheryl is a member of the Junior class.

by Old Rochester on the Voke 20. A play or two later Richard Reilly broke into the end zone from the 4. The Bulldogs tried for two with a run that failed and the score was 6 to 0.

After the kickoff to the Artisans, the ball was fumbled on the Voke 37. Old Rochester recovered. On the next play, a penalty put OR back to the Voke 45. Quarterback Joe Francoeur then threw a perfect strike to Paul Reilly who gathered it in and was caught on the Voke 5. Richard Reilly moved the ball to the 1 and then plunged in for the score. He ran it in again for the 2-point conversion making the score OR 14 to Voke 0.

The third period was completely dominated by Old Rochester. Voke only had 2 plays in the period and fumbled one of them.

The final period saw Voke stalled and Old Rochester took over on their own 34. They moved to a first down on the 46. Richard Reilly ran the ball to the Voke 34. Francoeur faded to pass and was smothered back on the 46. The Bulldogs were forced to punt and it was a beauty forcing Voke to start on their own 13. A long run moved the ball to the 33. Then the Artisans broke to the 50 but were called back to the 30 on a penalty. Minutes later a penalty by OR gave Voke the first down on their own 49. Late in the fourth period Voke finally hit paydirt when Mike Pinto scored on a long run. The 2-point conversion failed.

Old Rochester was moving after the ensuing kick-off but then fumbled the ball

Scout Jamboree Plans

Mr. Raymond A. Covill, Mattapoisett, chairman of Moby Dick Council's Jamboree committee, announced plans to send a troop composed of Scouts from across the council to Jamboree East, which occurs during August 3 to 9, 1973.

"Jamborees are national camping events which occur once every four years and are considered to be a highlight of a boy's scouting experience," Mr. Covill said.

Mr. Covill further stated "that several local Scout units have plans for attending as regular units and pointed out that any troop or individual Scout considering going should contact the Scout Office in New Bedford or Fall River as soon as possible".

the result of a year's research and study by a Report Card Committee comprised of volunteer members of the Center School staff. Parents, who had children in Center School last year, will recall receiving a questionnaire that requested input for the new report card format. Center School Staff was pleased with the overwhelming response to this study.

The new reporting procedure entails a minimum of one-parent conference which will be held during the months of October and November. This parent conference replaces the first written report card and the "Open House" usually held during American Education Week in October. Hopefully, in this manner, each teacher will meet the parents of each child whom he teaches daily. A special conference form will be sent to parents in the near future with a date and time established for the conference. If this time is not satisfactory, parents are asked to contact the teacher and the necessary change will be made. The evening of November 6 has been reserved for conferences with parents who cannot keep the daytime appointments. If necessary, another evening, Monday, November 13th, will be utilized for this same purpose.

This new reporting procedure also entails a new format for the report card which your child will receive on or about: February 9, 1973, April 13, 1973 and June 21, 1973.

Five Hour Vigil

On November 3, 1972, the first Friday of the month, a five hour vigil of prayer will be held at the Sacred Hearts Church on Main Street in North Fairhaven. This will be the fourth in a continuing series of vigils to be held at several different parishes throughout the area. The purpose of the vigils is to pray for peace in the world and to honor the Sacred Hearts of Jesus and Mary. The vigil will begin with confessions preceding a Mass of the most Sacred Heart of Jesus at 8:00 P.M. Included in the evening are exposition of the Blessed Sacrament, Rosary, Holy Hour and Benediction. The vigil will end with a Mass in honor of the Immaculate Heart of Mary at midnight. Coffee and refreshments will be available sometime during the evening. All are invited to come.

The lecturer's program opened with a march with Ruby Barber winning the prize.

Mark Harris, Mark Breton and Kathy Buckley were in charge of the program. The story of Halloween was read by Kathy Buckley. A candy hunt was conducted by Mark Harris with Mrs. Roderick, Pomona lecturer, finding the most hershey kisses. The birthday of William Smith was recognized with the members singing Happy Birthday.

Mark Harris then conducted a drawing of jack-o-lanterns in the dark. Prizes were presented to Mr. Wilson of Wareham, Mark Breton and Olive Gifford. A game was then played of passing the parts of a long gone character around as it was told by Kathy Buckley. The imagination was loudly expressed by those participating in the game. The two Marks were hosts for the social hour.

An announcement was made by the lecturer that the members of Marion Grange will fill the chairs on the November 2nd meeting and also furnish the program.

A paper bag auction will be conducted by the ways and means committee. Members are asked to bring in articles in a tightly closed paper bag to be auctioned off.

Refreshment hosts will be Mr. and Mrs. Earle Wilson.
